RULES

We are using WFDF 2017 Ultimate Rules with some changes mentioned below.

http://www.wfdf.org/files/WFDF_Rules_of_Ultimate_2017_-_FINAL_-_31_Dec.pdf

GAME RULES:

Game time : 14 points / 70min

Halftime: 7 points/ 30min (+1 to the leading score) Lasts 2 min. Time won't be stopped for the halftime.

Timeouts: 1 time-out of 1,5 min per half per team. If there's a timeout left then can be taken even when the time is up.

No Pagacap

One side decides the gender not offence.

If after time cap and completion of the current point neither team has reached 14 then +1 on the leading score and this will be a new point cap. Same applies to halftime.

THE SYSTEM:

With 7 teams, there is actually no good way to play the tournament by following all the rules. So we are trying smth different. Every team has 3 games on Saturday (Except 1 team who has 4), randomly picked games and also making sure that the opponent wouldn't be from your country. After Saturdays games there will be a new calculated seeding, using the RPI - Rating Percentage Index. $RPI = (WP * 0.25) + (OWP * 0.50) + (OOWP * 0.25)$, where WP is Winning Percentage, OWP is Opponents' Winning Percentage and OOWP is Opponents' Opponents' Winning Percentage. After that 1 crossover game for 4-th and 5-th in the pool. Followed by top4 and pool of 3 to determine 5-7 places.

Very excited to see how it works ☺

TIE BRAKERS:

1. Number of games won, counting only games between the teams that are tied.
2. Goal difference, counting only games between the teams that are tied.
3. Goal difference, counting games against all opponents.
4. Goals scored per game, counting only games between the teams that are tied.
5. Goals scored per game, counting games against all common opponents.

HOUSE RULES:

Tournament organisers retain the right to make changes in the schedule. In case of any changes you will be informed via the tournament bulletin board.

Post-game talks can be done outside the fields. For safety reasons, we ask that all players stay away from the free area between the fields.

TEAMSHIRTS:

It is team's responsibility to have light and dark colour shirts with them. If they chose to come with only one shirt it is their responsibility to find the solution. Tournament organizers don't have mesh shirts to give out.
